

Line-of-Credit for Tuition Financing through First Bank & Trust

- New accounts can be opened by the Business Office located at the High School Library, **Notre Dame Hall Bldg.**, 4520 6th Street during regular school hours (8am-3pm) or by appointment after hours. We recommend calling (504) 348-4950 before coming to the office. Please use the side entrance during regular office hours.
- Activators for existing accounts will be sent to parents who are less than 60 days past due and those on probation that have honored payment arrangements made with the Business Office.

If you do not receive an activator, please contact the Business Office.

- Lines-of-credit are financed at 9.75% APR. Families that have not had previous FBT accounts charged-off (or cancelled) can apply. Payments are due the first of the month, beginning July 1st and will be payable over 10 months (July-April). Families exceeding 60 days in delinquent payments can be placed on probation by the Business Office. For more information about the Immaculate Conception Parish Finance Council Non-Payment Policy, please visit our website at <http://www.icschargers.org/>.

**Lines of Credit with FBT are established for the full tuition amount due. Down payments can be made to reduce the total finance amount if made prior to May 15th (cash, check or charge). Only the Business Office can make changes to the line-of-credit activator.*

NOTE: 2009-2010 will be the last year in which paper line-of-credit accounts are done. Starting with the 2010-2011 school year, all accounts will be opened via online access through First Bank and Trust.
